

Mrs. Myslik's K-1 News and Notes

November 13, 2023

In our Word of God lessons this week we will learn that Moses tried to help the Israelites in his own way instead of following God's ways. He ended up in terrible of trouble after he killed an Egyptian, and had to run away so he wouldn't be killed himself. During his time in Midian Moses learned to be humble and follow the Lord's calling. **May we follow God's will in our lives, putting him first, and living to glorify him!**

I really enjoyed meeting with all of our classroom parents last week Wednesday and Thursday. Thank you for taking the time to come in for a visit. I love working together with you in order to give your child God's Word every day along with the best growing and educational opportunities possible.

Kindergarten – In Kindergarten reading we are learning all about Superkid Lily and the letter Ll. Lily likes playing with her lion dolls and pretending with them.

Our **first graders** are still working on Unit 4 in reading this week. This unit focuses on words that end with “-er” and “-ed.” The students received their new spelling list last week and will be tested on **Tuesday, November 14.** This week Wednesday students will get their next spelling list, and their following test will be on **Tuesday, November 22.** The new list focuses on two other sounds that the letters “-ed” can make at the end of a word. They will learn that -ed can sound like “d” as in the word “spilled” and that it can sound like “t” as it does in the word “cracked.”

Grade 1 Spelling for 11/14/23

Pattern Words:

-er

1. after
2. never
3. better
4. winter
5. summer

-ed
