

Mrs. Myslik's K-1 News and Notes

November 27, 2023

During Christ-light this week we are learning about the first Passover, when God sent the final plague to the Egyptians taking the life of the oldest boy in each family. We also see how the Angel of the Lord passed over all the homes that showed their faith in the LORD and had the blood of a lamb painted on their doorframes. What an amazing picture of our Savior this is! During Advent we learn about John the Baptist pointing out our Savior Jesus and declaring, "Look, the Lamb of God who takes away the sin of the world!" John knew - as we do too - Jesus is that perfect Lamb who sacrificed his own blood for us, so we would not die an eternal death.

Thank you, Jesus for being our Passover Lamb!

Save the Date: We are having our School Children's Christmas Service on **Saturday, December 16 at 3:00pm**. Please take the opportunity to invite family and friends to join us for this special service when the children get to present the Christmas account in word and song! We will be spending time every day during the upcoming school days to practice our songs and recitations. After the service we will have a time for families to enjoy a snack of cookies and cocoa. We are looking for people to help with providing platters of cookies, so please consider helping out! A note will be coming home this week about this, please be sure to return the response on the bottom of the note.

Look for the **December Memory Work calendar** coming home this week. I also put it on the school website, so you can check there for it as needed.

Kindergarten – In Kindergarten reading we are learning all about Superkid Icky and the letter li. Icky is a shorter form of Ichabod, and he loves watching shows on tv and pretending to be on tv. The kindergarteners are doing a great job catching on to reading and writing. Lately they have been writing letters and real words in their journals more and more. I love seeing their excitement about writing words and reading!

Our **first graders** have now finished our awkward spelling weeks and we are going back to our regular routine of new word list comes home on Mondays, with the test held on Fridays. This

week our words focus on base words with the endings -ed and -ing. **The test will be on Friday, December 1.** We are using red and blue stars to help remember two important rules:

 **Red Star Words:** Words with one vowel followed by two consonants, just add the ending (for example: help to helping and ask to asked)

 **Blue Start Words:** Words with one vowel followed by just one consonant, double the last letter and then add the ending (for example: hug to hugging and shop to shopped)

Cold and snowy weather is coming soon! Please check to make sure your child has what they need for winter weather outside gear. Students will need boots, snow pants, jackets, hats, and mittens/gloves to be able to play in the snow. We go outside for two recesses each day if the temperature is above 0 degrees. (If it is below 0 degrees we will stay inside to play there.) Also, once we have snow outside children often have soaked socks when we come inside and change out of their boots. Packing a spare pair of dry socks in their backpack is very helpful!

Don't forget this week Friday we have chapel, hot lunch, and Show-and-tell time.

Hot lunch this week will be pancakes and sausage.

Let's have a great week!
