4th Week of September, 2024

5th-8th Grade

### From Mr. Aguilar,

This Saturday, we will have our float in the annual Peshtigo Historical Days Parade. We would love it if all our students were able to make it! We're all wearing our cool new school theme t-shirts. Also, if you'd like to make a donation of candy so we can have lots of candy to pass out, that would be greatly appreciated. See you Saturday!

### Learning for this week

#### Literature

We are time traveling! The 5/6 grade is going back to the Middle Ages and beginning a book called *Crispin Cross of Lead*. Grade 7 is going back to Colonial America and beginning a book called *The Witch of Blackbird Pond*.

#### History

This week we are learning about Conquistadors and the slave trade, including the Middle Passage. The students should be chipping away at their unit packet each day, which is due **Friday, October 4**.

#### Science

No class this week.

### What we learned last week

- We tested our knowledge about the characteristics of life in science
- We learned about Paul's first and second missionary journeys.

### Important Dates

- 27th | Unit 4 Spelling Test
- 28th | Peshtigo Parade
- Oct 4th | History Unit Packet Due

### Christ Light

The past few weeks we have been learning about Paul and Barnabas' mission journey. This week we learn about Paul and Barnabas parting ways because of a disagreement and how God turned that seeming difficulty into something that benefited His work.
