

What Wild Things Are Going on in K and 1?

11/18/24

This week during **Word of God class** we are learning what Jesus taught his disciples about God's care, and how he blesses us both physically and spiritually. How fitting as we are celebrating Thanksgiving next week! Let's give thanks to our Lord for these many blessings and trust that he will continue to bless throughout our lives and into eternity.

In Kindergarten reading we just started the letter Ll. Our new Superkid friend is named Lily, and she likes playing with her toy lions.

We are looking for a few cardboard paper tubes (paper towel, gift wrap, or toilet paper) to use in our classroom for a kindergarten project. If you happen to have one or two you could send in, that would be a big help. Thanks!

In first grade the new spelling list focuses on two other sounds that the letters "-ed" can make at the end of a word. They are learning that -ed can sound like "d" as in the word "spilled" and that it can sound like "t" as it does in the word "cracked." Our next spelling test will be Tuesday, **November 19**. (The next list of words will come home on Wednesday, November 20 and the test on those words will be on November 26.)

Save the Date: We are having our School Children's Christmas Service on **Saturday, December 14 at 3:00pm**. Please take the opportunity to invite family and friends to join us for this special service when the children get to present the Christmas account in word and song! We will be spending time every day during the upcoming school days to practice our songs and recitations. After the service we will have a time for families to enjoy a snack of cookies and cocoa. We are looking for people to help with providing platters of cookies, so please consider helping out! A note will be coming home this week about this, please be sure to return the response on the bottom of the note.

Hot lunch this week is chicken nuggets.

Let's have a super week!
