## Mission Offering

### Progress:

Last week's chapel offering for God's Kingdom was \$52 bringing our total to \$258.05 for the semester.

## Donations for Firefighter Appreciation

Last week a letter was sent home asking for your help in collecting donations of snacks, beverages, or monetary gifts for our local Grover-Porterfield Fire Department to thank all the firefighters in the department for serving our community. These items are so beneficial when the fire department is out on long calls or afterwards. Several members will be coming to our school on Wednesday, October 9th sharing important information about fire safety and showing us some awesome firefighting equipment. We will present these donations of appreciation to the firefighters when they come for their presentation, so please **have your donations to school by this Friday, October 4th.**

### **October Birthdays**

Oct. 2 - Briar Kuchta

Oct. 10 - Oliver Hartwig

Oct. 16 - Sloane Koenig

Oct. 17 - Debbie Janiak

Oct. 20 - Kendra Frederick

Oct. 20 - Wren Woller

### **Peshtigo Historical Day Parade - Thank You**

A huge thank you to our students and parents who joined us for the Peshtigo Historical Day Parade this past Saturday. It was a beautiful day to walk or ride on our float and to promote St. John's Lutheran School within our community. An added thank you to all who donated candy to hand out as well.

### **150th Church Anniversary Service**

St. John Lutheran Church will be celebrating the 150th anniversary of its founding back on January 1, 1874, under the name the Evangelical Lutheran Church of St. John. There will be a special thanksgiving service on **October 13th, 2024** beginning at **10:30 am**. The students from our school in Grades 4K - 7th , along with the Sunday School children will be singing in that service. Following the worship service, there will be a potluck fellowship meal in the church basement. Everyone from our school is invited to join in this special day of celebration.

### **Board Meetings-Parents Welcome**

Each month, our board of education meets here at school. The board of education exists to make important decisions about the future of our school. The board has recently created an open forum section for each of their meetings, during which parents are invited to come to the meeting to voice questions or concerns about the topics that are on their minds. The board meets the last Tuesday of each month. You can find the dates of the meeting on our school newsletters. The next meeting will be on **October 29th at 6:30 pm**.

## Cross Country

Our cross country team participated in its final meet of the year at Colburn Park in Green Bay. The course was new for us, and everyone did a great job. Sawyer Kamps and Sam Langebartels finished in the top quarter of 3-5 grade boys, with Owen Kamps finishing not too far behind. Sawyer also placed 5th amongst 3rd grade boys. Brylie McClain finished in the top half of 6-8 grade girls, and Sam Bolyard competed in the 6-8 grade division. It was a fun season! (Our \*bonus\* runner is Oliver S, who joined us from Trinity, Marinette).

## Fire Prevention Week

Next week, October 6-12, is Fire Prevention Week. As our students and faculty learn more about fire prevention and safety, we encourage all our families to do so as well. It is so important to practice fire safety measures at home, having preparedness plans in place and checking that smoke and carbon monoxide detectors are working properly. The Professional Fire Fighters of Wisconsin have provided us with a fire safety newspaper we are sending home with the children next week. Please take a moment to read through the newspaper for important tips on making your home safe.
