50th Anniversary

Next year St. John will be celebrating 50 years of Christian Education. To thank God for his blessings over the last 50 years we will be having a special worship service and celebration. We are putting together a committee to help organize everything for this event. Please prayerfully consider if you can help us plan this great celebration. Contact Mr. List if interested.

Track Day

Our annual Track Day is quickly approaching (May 11). On Track Day, Trinity, Marinette and Zion, Egg Harbor gather together with the students of our school at St. John for a fun day of Track and Field events. This event takes a lot of volunteers to make it run smoothly. A Signup Genius link was sent to your email that has all the volunteering opportunities for the different events. Please consider how you will be able to help us with this great event for the children.

As of now we are still planning on having Track Day, but if the fields are not dry by then we will have to cancel.

Did You Know?

Today is National High Five Day.

Each year on the third Thursday in April, we observe National High Five Day. This is a fun day where you can "High Five" everyone that you see. Folklore fills the hallowed halls of sports stadiums concerning the origins of the high five. From the basketball to the volleyball court and baseball stadium, the sports metaphor has been well worn on this topic.

The first high five allegedly happened during the last 1977 regular season Dodgers' game. Dusty Baker hit a home run that made the team the first in history to have four players with at least 30 regular season home runs each. As Baker rounded third and headed home, Glenn Burke waited at home plate to congratulate him. In a moment that is Dodgers history but never televised, Burke greeted his teammate by raising his hand, and they slapped hands in a victorious high five.

- If a bald eagle loses a feather on one side of its body, it will lose the same feather on the other side of its body, to ensure balance when flying.
