

## Mrs. Myslik's K-1 News and Notes

April 29, 2024

This week we are beginning a series of lessons that focus on sharing God's Word to others around us. In our first lesson we learn about a man named Naaman who learned about the Lord through his servant girl. Then we'll learn the about the prophet Jonah, who God called to share his Word with the people of Nineveh. Through these lessons we can see how important it is to our gracious God that all people have a chance to hear his Word and come to faith. He used different Israelites from all walks of life to share what they know about the Lord. **We, too, have opportunities in our lives to share his Word with friends, family, co-workers, and acquaintances. May God help us to be bold witnesses!**

**Singing in church:** our preschool, kindergarteners, and first graders will be joining the Sunday School children and singing in the **Sunday morning worship service on May 12**. We ask you to please bring your child to the church basement **by 9:45am** so we can run through the song together and get lined up before church starts. We will sing towards the beginning of the service and then be excused to sit with families for the rest of the service. If you are not able to be there, please send me a written note ahead of time. Thanks!

**May Memory Work calendars are coming home today.** If you need a second copy let me know or you can look it up on our school website under the "Parent Resources" tab. ([www.stjohnpeshtigo.org](http://www.stjohnpeshtigo.org)).

**What is our next big school event? Track Day!** Track day is coming up on **May 17**. This is a day when all of the students from K-8 do an assortment of track and field activities. It is a busy and fun day and needs **lots of adult volunteers**. Please consider signing up to help run different activities during the day. The k-1 activities include: jumping rope, throwing a ball, drop-kicking a ball, standing broad jump, running 400 meters, 50 meter dash, tossing a bean bag, throwing a frisbee, and a short distance zig-zag run. Adult volunteers help with measuring or timing the students at each event. You can volunteer by signing up on the Sign-up Genius page on our school website ([www.stjohnpeshtigo.org](http://www.stjohnpeshtigo.org)). Click on the "Sign-up Genius Tab" and follow the link to sign-up.

**Kindergarteners** This week the kindergarteners are finishing their unit on the letter Jj and will start the last new book for the school year! They will learn about the letters Xx and Yy first.

Superkid Hot Rod is in charge and has decided to have everyone make a fun project out of an empty box. The kindergarteners will read a story this week called, "The Big Box Fix-up" and find out what the different Superkids made from their boxes.

Our **first graders** are learning about the ow sound (as in cow) and ou (as in cloud) sound this week. Their next spelling test will be on **Friday, May 3.**

Hot lunch this week is walking tacos.

Let's have an awesome week!

Mrs. Myslik
